

Aloha and Welcome to Maui!

Maui Kamaole L108  2777 South Kihei Road  Hawaii 96753

Mahalo for choosing Maui for your vacation. I've tried to make my home an inviting and enjoyable place for your vacation pleasure, and equipped for my long term stays. Nicole works very hard to keep my home in tip top shape. We hope to meet or exceed your expectations.

Please remember that each condo is individually owned and inventoried. **PLEASE do not take serving bowls, silverware etc. to other locations and forget to bring them back!**

Wifi code is located on inside of TV cabinet door. My personal modem (Belkin.5cf8/HulaHula) guest pass is: 1951195119

Check out time is 11:00 AM unless arranged differently in advance. A later time may not be available if there are back to back bookings. Every effort will be made to accommodate requests for later check out.

- 1.) **Bugs:** an ongoing nuisance of island living. **Please do not leave open food anywhere in the condo.** Please use containers or zip lock bags for any and all opened food. If you use the clips provided, fold over bag edges several times, or ghost ants will find your food! Please take trash out daily, bags provided. Recycle bins outside are located to the right of parking lot, near the smoking bench.
- 2.) **Imploring** you to rinse off sun tan oils and lotions at the foot bath located next to your parking space. You can also use the high pressure hoses located at front and back lanais. It helps to keep a 'Small clean up towel' (located in hall closet, blue towel) outside near the hose for cleaning off feet before entering. Please do not use guest bath towels for taking to the beach.
- 3.) **Please** don't sit on upholstered furniture while wet, or with oils/lotions.
- 4.) **Air conditioning:** PLEASE close all windows and doors when running the air conditioners. This may sound like a dumb request, but we've had problems along this line. Power on Maui is hideously expensive. Please be comfortable, but considerate. Thank you!
- 5.) **Shower curtain:** Mold forms very quickly and a pain to get rid of – PLEASE extend curtain so that it dries. Thanks!

(808) 357-2781 Text/Call - Nicole will help if her hectic schedule allows.

Thank you for helping keep my home exceptionally nice!

NO smoking in/near/around condo! Hawaiian Smoking Laws are located near the telephone.
